

NAVIGATING BUS TRANSPORT

There are a number of School Bus Routes that service the school – see below. For more detailed information please visit <https://translink.com.au/>. For our Translink Search Instructions – see pages 3-4.

School Transport Assistance Scheme (STAS)

The Qld Government provides assistance for eligible students travelling to and from school under the School Transport Assistance Scheme (STAS). Assistance is available on all Translink or qconnect bus, ferry, train and tram services as well as for private vehicle travel.

Students may be eligible for assistance under STAS if they:-

- Have parents/guardians who are residents of Qld
- Attend an approved school on a full-time basis
- Are younger than 19 years of age
- Are seeking transport assistance to and from one address only
- Are travelling more than 1 trip per week.

For more information contact Translink.

Go Cards are as good as cash for public transport and like cash, hard to prove it's yours if you lose it.

Go Cards are frequently handed in as lost property and it is almost impossible to track the owner.

The solution is quite simple with any of the options below.

- Write your name in black marker pen on the Go Card
- Copy the unique code into the school planner for easy identification
- Use your phone to take a photo of the back of the card as a record of the unique code.
- Register your Go Card on line with the added bonus of being able to top up the monetary value at your convenience.

Any of these options means that found Go Cards can more easily be returned.
